An ideal choice for families in a leafy enclave

Enjoying an elevated position in one of the area's most sought after streets, this well-maintained brick home is ready to move straight into, with potential to further renovate, extend or rebuild when the time is right. Capitalise on the 613sqm parcel of land with wide 15.24m frontage, it is within easy access to village shops, excellent schools and multiple transport options.

The spacious interiors offer 3 bedrooms, separate study, formal lounge and interconnecting separate dining. An updated eat-in kitchen with stone benchtops, adjoining casual meals area and rear tv/family room opens out to an expansive clear block of land. Other highlights include well-presented bathroom, 2nd wc, drive through auto garage to carport, garden shed and outdoor studio.
