This circa 1987, 3 bedroom, neat and tidy home is ripe for renovation. Although very liveable, it could, perhaps, maybe, benefit from some updating. Spacious 769m² elevated block with plenty of room for a swimming pool, shed, or extensions, in very sought after suburb. Walk to restaurants, Samson Primary School, and amazing Sir Frederick Samson Nature Reserve. Easy freeway access via South St, which, in the other direction can have you in historical Fremantle in as little as 10 minutes.
