An abundance of potential lies within this already feature packed proposition! Set on an expansive 612 block in a convenient quiet pocket, this home offers more than your average and will satisfy on many levels whether investing or looking to move in. This property has been well maintained and provides an exciting platform for the new owners. Neat and tidy living upstairs features 3 bedrooms, kitchen/dining and a spacious lounge. Downstairs is equipped with a second bathroom and kitchenette (council approved) and a generous sized living area currently serving as a bedroom (ceiling height approximately 2.3M) Side access for cars, boats, trailers etc is available to the huge backyard that affords the options of a pool, deck, granny flat or large shed for the toys. Other highlights include a double lock up garage, rainwater tank (plumbed for grey water) roof installation. Owners motivated and dedicated to settling before Christmas!!
