Here is your chance to secure an allotment with lots of the hard work done. The allotment comes fully fenced with high fencing and double gate access to the frontage. The shed is 6m x 9m, only around 2 years old. It is a quality build by local company 3MP. It features a concrete floor, two roller doors and a PA door. There is also a pad laid in front of the shed and both a 22,500L and 1500L rainwater tanks. This is a perfect chance for someone to build their dream home, call today. Note - no services connected.
