Being just a touch under 5 acres, and with Greens Pool only 4km away, this is as good as it gets. The vacant block is one of only two left in the area, and has mains power connected in the north-western corner. Partly cleared, there's plenty of scope to develop this property to its full potential, or simply hold onto it and enjoy weekends away in one of the most idyllic holiday spots on the South Coast. Denmark is only 15km away, so it's an easy drive into town for supplies, and then back again to enjoy the peace and tranquility of Byleveld Close. Please contact Andrew on 0409081075 for further details.
