A lovely quiet spot to enjoy your next summer holiday! Tucked in a quiet court only a stones throw from the Marina Hotel and still within walking distance to the shops and water. Situated with a gradual slope from the road with some fencing on the left and right hand side and trees scattered throughout the rear of the block. If you build up on this beach block you can take in glimpses of Lake Victoria from the rear. A small court situated on the water side of the town being only a few minutes walk from here for a fun day of swimming, fishing and boating! Why not head to the coast and secure this beach block for your next holiday home! *****CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
