Comprising two bedrooms and a spacious open plan kitchen, dining and family room, the genius of this design lies in the high ceilings and a stunning master bedroom loft. A private courtyard and secure off-street parking complements the tidy floor plan with its high, soaring, raked ceilings throughout, and light-filled rooms. What we love about this home: - Both bedrooms have mirrored built-in robes - Stainless steel electric oven, dishwasher, gas cook top and range hood - Instantaneous gas hot water system - Auto panel lift carport door - High speed internet (Furniture not included) Be quick!
