The just completed spaces of this inviting Brookrise Estate address are poised to provide its first owners with the beauty that only brand new dimensions can deliver. A three bedroom, two bathroom design of outstanding size features living and dining areas where the elegant user friendliness of timber flooring leads to the low-maintenance outdoor space beyond. The walk-in pantry, stone benches, ideal storage, quality cabinetry and stainless steel appliances of the kitchen reflect its attention to detail - an attribute that enhances the entire home. A main bedroom with a substantial walk-in robe and faultless fully tiled ensuite sets the standard for the two further bedrooms, each with built-in robes, both sharing a central bathroom featuring its own fully tiled flair. Heating and Refrigerative Cooling, Alarm system, Blinds throughout, Landscape gardens, a separate laundry and a secure garage complete the spaces that await behind a façade of immediate appeal in a location offering desirable proximity to Central Park Trillium, Craigieburn Village shopping and schools - in addition to its significant upside as an investment in an area of great growth and ongoing lifestyle amenity.
