This brand-new home sets a new standard blending cutting-edge design with unparalleled functionality. Experience a floor plan that's been thoughtfully designed to meet the needs of any buyer. With spaces that flow seamlessly from one to another, this home offers the perfect balance between open-plan living and private retreats. Multiple living spaces ensure that whether you're working from home, entertaining, or relaxing, you're always in your ideal space. The striking facade combines modern elegance with timeless charm. Showcasing a blend of materials incorporating cladding, smooth render, timber detailing & enormous entry door, all providing a preview of the meticulous attention to detail that awaits inside. Once inside, you'll find a treasure trove of elegant finishes, including bespoke cabinetry, high-end stone countertops, and elegant flooring, all coming together to create a home that's as beautiful as it is liveable. The possibilities are endless in the expansive backyard, ready for you to create your own slice of paradise. With side access and plenty of room for a pool, your outdoor space is a blank canvas awaiting your vision. This home represents an unparalleled opportunity to own a piece of modern design, where every element has been carefully curated to offer an exceptional living experience. Don't miss out on the chance to make it yours. With no open homes planned, please contact us for your own private inspection.
