\$620,000

Situated in the popular suburb of East Lismore, this ideal family home is conveniently positioned handy to schools, shops, sporting facilities, St Vincent's Private Hospital and the Southern Cross University. The home has a rendered exterior with tiled roof and features three bedrooms, all with built-in robes and ceiling fans, an air conditioned lounge/dining room, neat and tidy kitchen and a modern bathroom with bathtub. There are polished timber floors and carpet in two bedrooms. At the front of the home is a spacious East facing timber deck, a great spot to entertain or to just relax and take in the backdrop of the views over East Lismore. To the rear of the home is a covered entertainment area and the large, partially fenced back yard that provides space for veggie gardens and fruit trees. This is a relatively low maintenance home in a friendly neighbourhood suitable for families or would make an ideal rental investment.
