Welcome to paradise! Imagine yourself surrounded by lush greenery and the bluest of skies, with a stunning view of MacLeay Island off the coast of Queensland, Australia right outside your door. This beautiful two bedroom, two bathroom house is the perfect sanctuary for any family or individual looking for a tranquil oasis. The house is built by local builder Tim Jackson. The house is 8 years old and does not require any remodeling. The property is on a 701 square meter parcel of land, offering a wealth of outdoor features for any nature lover. An entertainment area and balcony provide the perfect place to entertain friends and family, or just to take in the breathtaking views. The property also consists of a double lockup garage. The interior of the house offers plenty of features, including a rumpus room, study, and built-ins. The house also comes with air conditioning for those hot summer days. What really sets this house apart is its location. MacLeay Island offers a peaceful, tranquil lifestyle, perfect for anyone looking to escape the hustle and bustle of the city. You are just a short ferry ride away from the mainland, with plenty of activities to keep you busy such as snorkeling, fishing, or just relaxing on the beach. This house is a rare opportunity for anyone looking to invest in a dream property. With no tenants currently in residence and no rent to pay, this house is truly a steal. So don't wait, seize this opportunity and make your dream of living in paradise a reality today.
