When it comes to young and attractive, this 2-storey townhouse is an absolute stunner from its stylishly rendered exterior to its awesome interior. Modern and brimming with up to the minute features and extras, it really is a picture of perfection inside and out. Enjoy 3 bedrooms 2 bathrooms and robe on the entry level. Travel the carpeted stairs to the upper storey to discover the huge open living area to one end and designer kitchen with stainless steel appliances, stone bench tops and glass splash backs and light filled meals area just a few steps away. There are also numerous prestige extras to make the living even more enjoyable. Entertain on the open elevated deck at the rear and savour that first cup of coffee as you read the paper sitting on the front balcony. Competing the appeal is a mews style remote control garage at the rear, and amazing location handy to all services and has a meandering walking track just metres away.
