Superbly positioned in a quiet, community minded street of thriving Northcote, this immaculate three-bedroom home offers an unrivalled lifestyle of family space and style, moments from High Street's popular shopping and eateries, parklands, transport and local schools (Northcote High zoned). Immaculately presented gardens and a dreamy weatherboard façade introduce three generous bedrooms with built in robes and a larger-than-most modern bathroom with striking floor to ceiling tiling and separate freestanding bath. Filled with natural light throughout, the open plan kitchen with premium appliances and butler's pantry/laundry adjoins a spacious living and dining area, opening directly onto a brick-paved undercover entertainers' patio and neat rear garden. Add to this, warm timber flooring, ducted heating/cooling, Solar panels, soaring ceilings and wide hallway, outdoor shed and potential off-street parking via rear ROW. Celebrating a terrific location to match, enjoy a short stroll to popular Johnson Street Park, iconic Red Door cafe, plus Northcote Central Shopping, All Nations Park, High Street trams, cafes & boutique shopping, schools, kindergartens, Northcote Aquatic Centre and Dennis train station all just moments away. There's so much to love!
