\$649,000 - \$669,000

Upon entry, you will be impressed with the size of each room, from the hallway, into the lounge and all three bedrooms; this home was built with space in mind. Renovated and maintained to a high standard, 12 Elsinore Street now offers double glazed windows, a modern kitchen with electric cooking, gas ducted heating, instantaneous hot water, three brand new air conditioning units and a water tank for expanding the garden beds should you wish! This home is ideal for families who want to live close to Colac South West Primary School with recreation facilities just three door's down. The triple front brick veneer façade on a big block of 869sqm boasts a huge 18m x 9m shed. Now this a shed for the vehicle enthusiast, handyman and entertainer. The pot belly, power and concrete floor allow family gatherings of the largest proportions and the high roller doors mean the caravan can come too. Contact the team to arrange your inspection today!
