This owner occupied home has everything you need. It offers that homely feeling from the get go. The renovated kitchen has a walk-in pantry, beautiful benchtops, and heaps of cupboard space. Walking through the dining room, you get to the cosy lounge with a free standing fireplace. This in turn links in with an air-conditioned crafts room, which also houses the very neat laundry. The bedrooms are carpeted - some with aircon and built-in wardrobes. The renovated bathroom has a shower and bath. Besides well-maintained gardens with automatic watering systems, a wishing well, and tea corner, the back yard offers a two-bay powered shed, two lawn lockers and greenhouse. Add the little pathways and bridge, and it feels like you're in a rainforest. The front yard offers a view of the park from the lovely veranda. This house needs a family, with kids running around and parents entertaining. Inspect now. Property Code: 1478
