Conveniently positioned within walking distance to schools, daycare centers and sporting facilities, this family home features four bedrooms, two living plus study, perfect for those looking for a bit of extra space. The master bedroom, situated at the front of the home has an ensuite and a walk-in robe. The remaining three bedrooms are located towards the rear of the home, equipped with built-in robes and serviced by a central family bathroom. Ducted heating throughout the house ensures warmth during the colder months while a split system ensures you keep cool in summer. The light-filled kitchen living and dining area provide a perfect space for relaxation and entertaining, while an additional separate living area near the front of the home offers versatility and privacy. With neutral tones throughout, giving you the option to add a splash of colour here and there to enhance the property. Plenty of parking with the double lock-up garage, complete with remote control and internal access plus space for more parking at the front. Excellent side access allows for the storage of a caravan, boat and trailer. Undercover alfresco area leads to a low maintenance private rear yard for the kids to let loose.
