Offers To Purchase

Situated on a massive 1012sqm block, this highset house is partially enclosed underneath and has all of the beautiful features you love. On offer is a house that has been a family home for 42 years. The beautiful one inch tongue and groove floors have been hidden all of these years and now exposed, sanded with care and polished to perfection. There are three old style generous bedrooms, bathroom, separate toilet, dining area, large living area, front and rear deck and there is virtually nothing to do but move right in and enjoy. Freshly painted inside and out with both the bathroom and kitchen being completely upgraded in the last 10 years or so. Downstairs is mostly enclosed and lockable making a great entertainment or second family area with a separate storage room. The large block of land has a garden shed and is there to be enjoyed by the family or taken advantage of, use your imagination and find the potential. Properties in Wulguru are becoming highly sought after and Faraday Street itself is a quiet and highly regarded street. The last properties to be offered for sale in Wulguru and in particular Faraday Street have only lasted on the market for few days. -Disclaimer: While all care has been taken to ensure the information provided herein is correct, we do not take responsibility for any inaccuracies and we accept no liability for any errors or exclusions (including but not limited to a property's land size, floor plans and building age).
