Here's the perfect opportunity for a buyer wanting land for a shed, pool or future granny flat. This large allotment - 1,012m², gives plenty of space for the kids to play, family pets and future development potential. The home has been well kept and includes 3 bedrooms, separate lounge with air-conditioning plus spacious kitchen with adjacent dining space. The home has high ceilings, with polished timber floors throughout, giving the home older style charm. Outside the home is the large backyard, with drive-through access from the garage. Perfect for the buyer with trailer/boat wanting off street parking. Established trees and flowering plants gives the garden an array of color, with a feature magnolia tree at the front. Suitable for many buyers from investors, developers, first home buyers, young and old, this home is vacant ready to move in or rent out. Located close to shopping centre, sports field and only 3.5km to Southern Cross University. The home also includes a solar power system to help with electricity bills. Don't miss out!
