Making an indelible first impression with its captivating blend of period elegance and inspired contemporary style, a single gable façade and dressed with creative finishes, whilst maintaining its ornate character features. Inside, you'll find a restored but traditional layout creating a comfortable, homely environment with ample space. Three genuine bedrooms plus a study, making this home perfect for families or those who love to entertain guests. High ceilings and ornate finishes frame the dining and lounge areas in the central hub of the home. The kitchen is provides space and modern conveniences, the family bathroom delivers a functional level of comfort, and there is also a second shower off the laundry. The north facing patio is the perfect place to unwind overlooking the meticulously maintained gardens and back yard. A shed and carport provide car accommodation and storage options. Well located being in between St Johns and St Mary's Schools, close to town and off the main thoroughfares to the top of the hill. Don't miss the opportunity to own this charming property that combines timeless character with modern living.
