Tucked away, privately, in a tightly held, peaceful part of the popular Norwood area, is this truly lovely four bedroom home with a north facing, huge backyard screened by established border gardens, with all living areas capturing stunning views. Upstairs there are three bedrooms, two bathrooms, family room, kitchen, separate dining and lounge each opening out onto a fully enclosed sun room. On the lower level is a fourth bedroom/study, brand new laundry, double garage and massive rumpus room. This has been a very much loved family home for many years and, with a recent refresh, is now waiting for the next family seeking space, privacy and a secure home to grow into. Norwood is renowned for its larger blocks and spacious, well built, family homes. This home won't disappoint! Close to all facilities, great schools, Newstead or Kings Meadows shopping precincts.
