From the elegant rooftop terrace of this designer townhouse the views extend across the streetscape to capture the city skyline beyond – it's a brilliant visual accompaniment to vibrant dimensions, ideal for entertaining or simply enjoying all to yourself! Below, a living and dining area is served by a stylishly appointed open-plan kitchen featuring stone bench-tops, stainless steel appliances and a distinctive splashback. Two double bedrooms, each on its own dedicated level, define the first floor and ground floor spaces of a home that's completed by a beautifully maintained bathroom and a smart study nook. Split system heating and cooling contributes total comfort throughout while an allocated car space adds to the amazing convenience of this address. Barkly Street's energy, retail, restaurants and bus routes lie literally moments away – right outside your front door – with Footscray High School's Barkly campus adjacent, Footscray Market and Footscray station a short walk away and the city just 6km distant. Melbourne airport is readily reached and the imminent opening of Victoria's largest hospital will add to the amazing amenity of this location!
