## **\$750pw 4 Bedroom + Study**

This Modern home offers a great lifestyle with no compromise. It is set on a large lot with an attractive and secure frontage that leads to a private sprawling back yard ideal for the kids or the pets to run free under easy supervision. Expertly designed and built, this stunning 4-bedroom home plus study has plenty of room to entertain inside and out. The kitchen and bath rooms are finished with modern stone benchtops, unique quality tap fittings and a stylish colour palette. Each of the 4 bedrooms is generous in size and offers a built-in robe along with tiled flooring and air conditioned while the master bedroom takes the luxury up a notch with its walk-through robe and elegant ensuite. - 4 Bedrooms with built in robes plus study - Main bathroom with Modern bathtub - Separate powder room for guests. - Private Ensuite and walk through robe off master bedroom - Separate laundry with linen storage - Open planned living space with large living & dining areas - Modern stylish kitchen - Large outdoor entertaining area - Huge pet friendly fully fenced back yard - Double lock up garage with remote access - Fully Air-Conditioned and fans throughout. Property Code: 635
