This lovely, renovated sun filled 3 to 4 bedroom home is situated in one of Highett's sought after locations close to local shops, cafes and Highett train station. Comprising: Open plan family room and kitchen with bifold doors leading out to the large decked alfresco entertaining area that steps down to the roomy grass backyard. The kitchen offers a large island bench, gas cook top and electric oven, dishwasher, large pantry, and plenty of cupboards. The home consists of either 3 bedrooms and 2 living zones or 4 bedrooms and the spacious rear family room. The main bedroom is complemented by an ensuite and a walk in robe. 2 further bedrooms has portable robes and if you choose to use the flexible room as a 4th bedroom. Sparkling main bathroom and separate laundry. Extras include: ducted heating, ducted cooling, gas loge fire, floorboards and shed at the rear. Hedge maintenance included. Inspections will impress.
