This luxurious townhouse residence offers breathtaking views extending over lush parkland, capturing the entire city skyline and ensuring the spectacular sights complement the luxurious and dynamic dimensions. Abundant natural light, reverse cycle heating/cooling, and stunning timber floors define the memorable living and dining spaces, enhanced by a substantial balcony. The sleek kitchen boasts stainless steel appliances and elegant stone benches. The ground level features dual courtyards, three generously sized bedrooms with built-in robes, and two impeccably presented bathrooms, including a main bedroom with an ensuite and private outdoor retreat. This contemporary design masterpiece ensures every detail enhances enjoyment, providing immense pleasure from its generous proportions. Completing this compelling package are two car spaces and a secure storage cage, with Highpoint shopping center literally at your doorstep, as well as convenient proximity to schools, recreation facilities, tram routes, and more!
