This stunning family home has been designed for perfect practicality and luxury. Located in the heart of Kiewa Valley estate, this home is ideal for those looking for a slice of the country whilst not giving up on the comforts of city living! Comprising of four spacious bedrooms, all offering ample storage with built-in or walk-in wardrobes. The oversized family bathroom services the bedrooms at the rear of the home and boasts a large bath, separate shower and expansive vanity. The master is fit for royalty, with stunning large windows that flood the room with natural light and a walk-in wardrobe that takes you into the private ensuite that features a large free-standing bath, shower and double vanity. With three living areas, there will always be a quiet space. The front living area adjacent to the master is perfect for a parent's retreat. The central living and dining area is ideal for the family to come together, whilst the back living space would make the perfect home theatre or games room. The expansive kitchen is sure to keep the family cook happy, separated into three parts; the main kitchen offers a large stone waterfall bench and a modern 900mm gas cooktop. The impressive large butler's kitchen has a convenient servery window out to the home's alfresco, and lastly, the oversized walk-in is the perfect place to hide your clutter. Now, let's talk about entertaining - this place has it nailed! Step outside to your private oasis, complete with low-maintenance landscaping, perfect for those weekend BBQs with friends. The alfresco features a centre-piece timber bar positioned perfectly for enjoying a drink and the sunset, along with a hand-crafted fireplace and wood-fired pizza oven. Other notable features include a double-lock garage, rear yard access and ducted heating and cooling! Don't miss this one enquire today!
