\$640,000 - \$680,000

Step into the allure of a bygone era at 12 Jamieson Street, St Albans – a captivating property built in the 1970s on a generous 602m² of land approx. This three-bedroom residence is a testament to timeless charm, offering a unique blend of character and space. With a sprawling 602m² of land, this property provides not only a home but a canvas for your outdoor dreams. Imagine transforming the expansive yard into your private oasis or a picturesque garden retreat. Additionally, the land holds S.T.C.A (Subject To Council Approval) potential for the development of townhouses, making it an enticing prospect for those with a vision for future expansion. Step inside, where each room narrates the story of a different era. The spacious bedrooms and retro-inspired bathroom add a touch of nostalgia, while the vintage kitchen offers a glimpse into the past while accommodating modern lifestyles. Parking for two cars enhances the practicality of this home, ensuring convenience for you and your guests. The generously sized living areas beckon you to create memories in a setting that exudes warmth and authenticity. Situated in the heart of St Albans, this property not only offers a unique home but also the potential to shape your outdoor haven and explore development opportunities. With schools, amenities, and a vibrant community at your doorstep, 12 Jamieson Street is more than a house; it's an opportunity to own a piece of local history. Book your viewing today and step into a home where nostalgia meets comfort on 602m² of land, with exciting S.T.C.A potential for townhouse development.
