**Area: 1011 m2**

**Type: House**

Andrea Ivermee

**\$675,000**

12 Jenner Street is set behind a secure picket fence on a quiet no through road. The long block of 1011sqm offers plenty of room to park vehicles, extend the home or put in a big shed and pool making the most of the northerly aspect. New carpet and a fresh coat of paint have lightened and brightened the home for its new owners.
