* An ideal residential property for singles, couples, retirees, downsizers, first-home buyers or investors alike.* A terrific home on its own title. Lock up garage, with secure access through the laundry, to inside.* You will love the clean-lined kitchen. Dishwasher, canopy rangehood, gas cooktop, electric oven all look so modern.* Braemar central heating will keep you "as warm as toast". Gas hot water too.* Two bedrooms, one an ensuite to the master bedroom. Robe storage in both bedrooms.* The bedrooms and separate lounge are all carpeted. The wet areas and traffic areas showcase glistening floor tiles.* A naturally light, bright interior will appeal. Alfresco for protected outdoor living.* So well located relative to shopping, schooling, sporting and recreation facilities.
