From \$550,000.00

What a golden opportunity to enter the property market with this super residence. This 3 bedroom 1 bathroom 1 toilet home that sits on a generous 800 sqm block (approx.) which includes all the extras that's sure to impress. On entering this residence you will feel the space and warmth this home has to offer. From the large living areas which displays ample sizing for any family's requirements. On making your way through to the dining and kitchen areas, you'll find this extremely well-appointed kitchen with ample island bench top and under bench storage. This works well together with the meals area to create a very usable and functional space. Feel at home in the good-sized master bedroom, complete with a built-in robe. The two remaining bedrooms are of a good size, all this serviced by the convenience of two toilets. The bonus to this home is its separate powered workshop or man cave featuring a gated separate driveway; this offers the new owner many options! Are you a tradie ready to operate your business from home or if you're the type of family that has all the toys storages not an issue, perhaps you're a retired couple looking to downsize in style with parking options for your caravan, either way this property will accommodate many configurations. The home also features ducted evaporative air conditioning that's sure to keep you cool throughout the summer months, and with winter just around the corner relax knowing your inbuilt gas unit will keep you warm. Outside this beauty relax in the outdoor living space featuring a paved gable patio, giving you great freedom to entertain with large gatherings. The yard also boasts reticulated gardens with a grassed section to the rear for the kids to play. Call today!!
