Welcome to this incredible five bedroom custom built spacious family home. You will not find another property like this one in the Bowen market. As you enter this beautifully presented home through the huge double front doors you are greeted with wide open spaces and high end fitout through the entire property. On entry you find the master bedroom that enjoys its own ensuite and large walk in robe. On the other side of the entry is the fifth bedroom OR your home office. The choice is yours. Then we arrive at the HUGE open plan living area and your eyes are immediately drawn to the massive kitchen featuring a HUGE island bench with an abundance of space to seat the whole family. Ample storage is catered for within the kitchen along with all the modern appliances, gas cooktop and stone benches. The lounge, dining and kitchen are all in the same open plan living area and have ample space to accommodate your family. Off this main living area is a oversized bank of glass doors that allows beautiful light and breezes through the home. The outdoor living area is very low maintenance and continues around the back of the house where it opens up into the biggest undercover entertaining area you have seen and as an added bonus - it overlooks the gorgeous inground pool. The back yard is mostly concreted with a small area of grass and the front of the home has a beautiful custom wide drive way and wonderful street appeal. One side of the home has double gates with easy side access for your boat or caravan to be stored securely under the brand new custom awning that has ample height clearance for your boat or caravan. The property has been designed with easy living in mind; this property will be so easy to lock and leave if you are enjoying travelling or if you work away a lot. Then you can come back home and enjoy this beautiful address that is soon to be yours. Now; back inside the home we get back to the remaining three bedrooms toward the rear of the house with two of these bedrooms overlooking the pool. A large family bathroom and huge laundry with loads of storage complete this luxurious home. Every turn feels spacious and welcoming, the fitout of the property is beautiful and this home has been extremely well cared for. This property is a must see; demand is very high for a home of this calibre and it will not last in today's market.
