Closing Date Sale Monday 8th April 2024 at 6pm (unless sold prior) Boasting an enviable beachside address in footsteps to the shore just 800 metres away, this three-bedroom home directly abutting North Seaford Tennis Club offers an enviable coastal lifestyle where days can commence with a jog on the beach and conclude with cocktails at sunset. Set on a pristine 535m² (approx) block between the shore and wetlands, the property is around 15 minutes' walk to Seaford's vibrant town centre with cafes, restaurants, takeaways and, of course, the train station. Beautifully renovated yet with scope to continue the updates, the property may also appeal to those seeking a blue-chip site to start again with a brand new build in this premium seaside location, which is walking distance to Seaford North Primary School and cycling distance to Patterson River Secondary College. The single-level residence features a comfortably sized interconnected living and dining area with plush plantation shutters and concertina doors separating the entry hall and sleeping wing. The sleek kitchen impresses with stone benchtops, a gas cooktop, large oven, stainless-steel splash back, built-in curved breakfast table and ample storage, while a glass door opens to an alfresco patio with built-in bar, a luscious lawn and zoned sun patio for relaxed outdoor dining. The luxurious master bedroom offers dual built-in robes and an elegantly updated ensuite in this family-friendly layout, which includes a second bathroom for the kids, a wall heater, ceiling fans, split-system and a carport.
