The picture-perfect presentation of this original five-bedroom, two-bathroom home will immediately strike a chord among those searching for the quintessential family setting. Add to the mix a private 659sqm (approx.) lifestyle block in a quiet court location inside the Templestowe Heights Primary School and Templestowe College catchment areas and you'll be hard-pressed to find a better neighbourhood to raise your growing family! Established leafy trees and a clinker brick exterior achieve a sense of timelessness; a trait that extends throughout the classic interior that's beautifully presented, awash with natural light and dressed with warm timber flooring downstairs and brand new carpets in each bedroom. Introducing an elegant fireside formal living/dining, a welcoming hallway arrives at the relaxed family living, where French doors integrate indoor-outdoor living against a calming verdant backdrop. An immaculate retro kitchen serves as a reminder of the home's proud past, while a naturally shaded leafy backyard featuring an in-ground swimming pool offers outdoor lifestyle enjoyment for the whole family. City views, abundant storage, ducted heating, double garage and swift access to Westfield Doncaster, Macedon Square, parks, city-bound bus services, St Gregory The Great Primary School and the Eastern Freeway/EastLink adds further appeal to an already impressive home.
