Situated on a private 1.39-acre parcel of land, this property offers the expansive serenity of a much larger estate without any of the maintenance. This north-facing, 4-bedroom home serves as a private sanctuary where tranquillity meets convenience, just a comfortable walk from the heart of town. Upon entering, you'll discover spacious living and dining areas that are bathed in a gentle natural light, creating a warm and inviting atmosphere. The kitchen stands as the home's heart, outfitted with black stone bench tops and a freestanding classic Falcon stove, ready to inspire delightful meals for family and friends. The spacious main bedroom offers spectacular views across the grounds, neighbouring farmland and to the mountains, whilst also offering a substantial walk in robe and ensuite. This home boasts two distinct living spaces, both perfect for entertaining and quiet reflection. Additionally, a dedicated home office provides a quiet space for work or study. Outside, the property unveils its true charm. A gentle stroll across the lush lawns and down to the creek can be continued to the nearby reserve and Big Tree. The grounds also feature a pool area, a perfect place for relaxation during the summer months, enhanced by a hot rock sauna, inviting you to unwind and rejuvenate amidst serene surroundings. Complimenting the home's amenities is a double lock-up garage offering secure parking, paired with a large colourbond shed that serves as an excellent space for a workshop or storage, adding a versatile facet to this already feature-packed property. This unique property offers the perfect opportunity to embrace a lifestyle that blends the calm of rural living with the convenience of urban amenities. A home that allows for relaxation while remaining connected to a vibrant community, where boutique shops and gourmet dining experiences are just a short distance away.
