For Sale

Welcome to 12 Mountain Blue Drive. This beautifully presented low set brick & tile home is set in a quiet cul-de-sac and sits conveniently next door to a park. With a separate media room and master bedroom at the front of the home that flow into a spacious open plan kitchen/dining/living space. The additional three bedrooms along with a separate laundry room and family bathroom are at the rear creating a fantastically designed family home. The master bedroom is freshly carpeted with fitted robes and ensuite bathroom. With split system air-conditioning and fan to stay cool throughout the summer. The open plan kitchen diner leads out to the huge tiled entertainment area, ideal for those family gatherings and with the peaceful outlook of the park. The additional bedrooms are freshly carpeted and the rest of the home has been updated with wooden look porcelain tiles and a coat of fresh paint throughout. This lovely home is waiting for new owners, perfect for first time buyers, investment buyers or downsizers, 12 Mountain Blue Drive ticks all the boxes.
