Wonga is on-the-move at the moment, desirable for it's wild natural beach, open space, and proximity to two stunning natural wonders - the Daintree and the Great Barrier Reef. You can really get some natural distance here and enjoy the North Queensland lifestyle! Take a look at this well priced, large corner block of 1093 sqm vacant land. Water is already connected to the block, and curb and guttering in place. Being fenced on two sides, you have everything in place to plan your dream residence. Being a corner block you may have the option to build a Duplex pair (STCA). Live in one and rent out the other OR permanently rent one out and use the other for a lock-up and leave, bolt hole or for family and friends or build your forever home. The beauty of this location with rain-forested mountains just behind you, and the Beach just a short distance away less than 600m for a morning stroll or a spot of fishing. Rocky Point boat ramp is just down the road and straight out to the reef. It's just 35 mins to Port Douglas and less than 15 mins to Mossman township, or 1.5hrs to Cairns international Airport.
