Lifestyle, luxury and location, this striking home of exceptional offerings provides living conditions for a larger family, and impresses with mountain views that anchor the property to the natural leafy Eastern landscape. Spotted Gum floors unite the formal entrance, study, elegant lounge room, open plan kitchen, family room and meals area. Catering for the chef of the family, the kitchen comes prepared to serve with Smeg cooking appliances, a Bosch dishwasher and a walk-in pantry, whilst connecting to the very private and tranquil deck and backyard. An absolute crowd pleaser for those looking for a full sized block with room for outdoor play. The wow factor views continue upstairs, enhancing 2 of the 4 bedrooms. All bedrooms are appointed with robes and are comfortably serviced by an ensuite and family bathroom, with a guest powder room downstairs. Completing the dream is the inclusion of various forms of heating and cooling, an oversized double garage with 3-phase power, and a location that wins hands down for convenience.
