I have little street appeal, I'm tired and honestly do require some refresh. However, here you have a quality, well built home, great shed, a home you do dream of, one that can creatively accommodate all the family. You are able to use as a four, five or six bedroom home, it is that adaptable buyers. The external walls are all double brick, the interior is timeless. Sellers and I are honest in sharing that we do require some freshening up, new carpets, a new dishwasher and some creative starting again should you like to garden. This large yard and big home are a remarkably well priced property just begging you to take it, make it yours, add the further value this property is screaming out for. Built by our own grown renowned builder Chris Farrell Builders Warwick, you have been built to last well and truly. Shed here is able to accommodate four large vehicles, or a couple of vehicles, boat, motorbikes or other. We have a huge slow combustion wood heater, two Bathrooms, two separate WC. PRICE \$625,000
