\$650,000 - \$715,000

Absolute quality and lifestyle perfection materialise in this near-new 3-bedroom townhouse, relishing a serene and private position at the rear of its sophisticated complex. Completely private and totally immersive, its timber-hybrid floors spread into a large lounge filled with natural light, separately zoned from a spacious kitchen and dining area placed to the rear. High-quality stainless steel appliances and stone counters mix form with function, spreading beyond sliding doors towards the immense space of the terrace and rear yard, promising exceptional space for BBQ entertaining with family and friends. Accommodation is by way of the upstairs main suite with its walk-through robe and ensuite, supplemented by two robed bedrooms around a family bathroom and toilet. Complete with a full-sized laundry, a lower-level powder room, refrigerated heating/cooling across both levels, exceptional storage, and a double garage. The home sits just a short distance from Banyan Fields Primary, Carrum Downs Secondary, Local Village, buses and freeways.
