Welcome to this 5 bedroom plus study home, nestled in a peaceful culdesac, right in the centre of Mount Barker. Set on an 814 sqm flat allotment, this property offers a spacious and comfortable living environment for the whole family. As you enter, you'll be greeted by a double carport with automatic roller doors, providing convenient and secure parking for your vehicles. The added bonus of a 6.6kw solar system and a Tesla Wall Charger ensures cost-effective and eco-friendly energy solutions. This home is equipped with 2 bathrooms, making mornings a breeze for everyone. The 3-year-old Gas HWS complements the modern conveniences found throughout the property. All 5 bedrooms, including the master with a walk-in robe, offer ample space and feature built-in robes, providing plenty of storage options. The renovated kitchen boasts style and functionality, highlighted by a 900mm oven that makes cooking a pleasure. Built by Homestead Homes, this property exudes quality and craftsmanship. The slow combustion heater and reverse cycle air conditioning keep the interior comfortable in all seasons. Stepping outside, you'll discover a backyard with a sprawling lawn that backs onto a serene reserve adorned with picturesque gum trees. The set-back position from the street offers privacy and a quiet atmosphere.
