## FROM \$650,000

Your new home awaits you at 12 Scantling Way, Whitby. Set amongst a beautiful neighbourhood with parks and playgrounds, great neighbours and that nice country feel in the air still. Starting with a perfect 490sqm block, this brilliantly designed home has room to move and a place for everyone, with a study to the front of the house, good size master bedroom with his and her built in robe and ensuite. Towards to the rear of the home are 3 more bedrooms, an activity room, separate lounge and very spacious family and dining. The kitchen features 900mm stainless steel cooking appliances, dishwasher recess, corner pantry and servery window to the alfresco. With 37 course high ceilings, ducted reverse cycle air conditioning and plumbing to the fridge recess, there is very little this home doesn't offer. The home is well cared for with flooring and walls in great condition, reticulation front and back and 2 that's right 2 instantaneous hot water systems. Complete with alarm, security door and cameras, it's the perfect fifo home or simply ideal to secure your family.
