\$875,000

If you are looking for a tree change but do not want to sacrifice and compromise on the size and quality of your family home, then look no further than this Content Living property built in Dec 2014 set in the beautiful Moore River Region with all it has to offer from boating, fishing, water sports and 4wdriving right on your door step whilst being located only 5 mins from Guilderton where the river meets the ocean. Free school bus services takes care of the kids to many schools in the Northern Suburbs. The home is a stunning 5bedroom 2bathroom residence, set on 2.5 acres. The house is approx. 245sqm of living and with the garage, verandah and Alfresco comes in around 328sqm finished impeccably. It is not only the home that is super sized but outside features a MASSIVE 15mx10mx7m shed with water, power and mezzanine level incorporating lean to's either side that measuring approx. 9m x 4.5m each – think of what you can do in here! The seller has current shire approval to build a replica shed behind this one as well. Finished to the highest quality throughout with no expense spared this property ticks all the boxes even for the fussiest of buyers! Properties of this calibre do not come along often in this area so do not delay in booking a private inspection with me so you can just move in and take advantage of the love and hard work that has been poured into this home.
