As soon as you enter this home in the lovely community of Fernbrook Ridge either through the internal access from the double lock up garage or the front door, you get a sense of space. The entryway is a lot wider than the norm to allow for a study nook or storage for the kids school bags and shoes. As you walk down the hallway the large main bedroom is on your right, it features reverse cycle air conditioning, lush carpet walk through robe to the ensuite bathroom. The additional 3 bedrooms are carpeted and have built in robes and ceiling fans. The main bathroom is well appointed with a large bath and modern finishes. The laundry is an actual laundry (not a nook in the garage), with linen cupboard and broom cupboard plus external access out to the wall mounted clothesline. You then arrive at the spacious, tiled open plan living area with your meals area on the left, a kitchen with loads of meal preparation space, appointed with modern stainless steel appliances and a family sized pantry. The outdoor, covered alfresco area leading out from the living area is perfect for relaxing after a hard days work.
