On a massive 897 m² block, this beautiful, large family home is available for the first time, for sale. Master with ensuite and walk in robe. All remaining bedrooms with double built in robes and all great sizes. A formal living space to the front of the home and open kitchen, family and dining to the rear of the home allows plenty of room for the family. The kitchen well appointed with 900 mm appliances, loads of bench space and the large open walk in pantry will be every chefs dream. Internal access from here to the garage make this home a dream. There is a large study area or kids retreat near the rooms to the rear of the home. Outside a large alfresco frames the rear of the home and allows for a fantastic entertainment space where the kids and family pets can run free in this large open space. The views are beautiful from here looking over the valley and hillside. With solar panels, ducted heating and cooling and nbn, also concreted rear access from the garage. Walk in to town or the shops, public transport and schools are all minutes from your door. Ducted heating and high ceilings this quality home is ready for its new owners.
