This wonderful 3 bedroom home located in a quiet West Warrnambool street will have you at hello! Three generous bedrooms along with a stunning fully renovated bathroom fills the rear portion of the home. Whilst the front of the house includes a spacious living area and dining space. The kitchen exudes quality and has a striking appearance which is sure to create some positive responses from those inspecting the property. Creature comforts include gas central heating, 2 split system air conditioning units and ceiling fans throughout the home. Externally there is a single lock up garage with work/storage space plus a clever roller door allowing pedestrian access to the impeccably maintained rear yard and gardens. A super added bonus is a basement room tucked under the house which would be ideal for a rumpus room for older children or a great spot for anyone's hobbies. You'll need to be quick for this one - first available inspection will be on Saturday 25th May.
