Please download the free GAVL app. Poised high above the street behind a manicured lawn, standard roses and magnolia trees, this beautifully presented family home showcases quality contemporary updates across a generous single level floorplan. Enviably positioned within a tranquil family street just a short stroll from leafy Koonung Creek Trail and the popular Toast café, the home is also within easy walking distance of Whitehorse Primary School, RE Gray Reserve, Eastern Freeway Linear Reserve, The Peddler Café, and an array of local playgrounds. Zoned for Mullauna Secondary College, the location is also moments from the Eastern Freeway, Nunawading Station, Halliday Park and the newly updated Blackburn Square shopping precinct. At the entry, an open plan living and dining room is awash with natural light via floor-to-ceiling north facing windows. A generous separate family room and casual living space is positioned at the rear, with glass stacker doors opening out to a sunny timber decking. Adjacent, a family-friendly lawn is framed by low maintenance raised garden beds. The skylit kitchen includes a 900mm gas cooktop, a stainless steel Bosch dishwasher, an island benchtop with stylish feature pendant lighting, and ample storage including a walk-in pantry. Three carpeted bedrooms are each equipped with ceiling fans and built-in wardrobes, with one also offering an inbuilt desk. A luxurious fully renovated central bathroom boasts elegant floor-to-ceiling tiling, a twin timber vanity, a walk-in waterfall shower, chic matte black tapware, and an indulgent freestanding soaker bathtub. The home also includes a renovated stone laundry with abundant storage and direct outdoor access, plus an additional guest W/C. Featuring polished timber flooring, gas ducted heating, three split system air conditioning units, an alarm system, excellent inbuilt storage, pop-up garden irrigation and ceiling fans in all bedrooms, the home also includes a double carport plus additional off-street parking.
