This inviting tumbled brick home set on a family-friendly 713sqm (approx.) corner allotment is primed to offer an idyllic lifestyle. Beautifully balancing indoor and outdoor spaces to admire, one lucky family will enjoy a lovely way of life here. Upon entry, it is immediately apparent this is a lovingly cared for home. The lounge and dining area features new flooring and bright floor to ceiling windows. The cooks' kitchen with copper rangehood, shaker cabinets, slate floors, and a sunny skylight overlooks the dining area and family room with updated floorboards. Boasting a stylish curved copper fire and a connection with the covered alfresco, paved patio, and garden, this is a home for all seasons. Generously proportioned bedrooms are also on offer. The main bedroom features a built-in robe, shower ensuite, and alfresco access. The family bedrooms are also adorned with ample storage and the home office/nursery is the bonus space every family covets. With additional highlights including ducted heating and cooling, plantation shutters, solar hot water, and a double garage, this property goes to great lengths to provide complete comfort. New owners will also appreciate this perfect position near Rosanna Golf Links Primary School, Macleod College, Salt Creek walking trails, bus transport, Macleod Village, and Warringal Shopping Centre. Inspection will impress.
