3 bedroom + study nook, 2 bathroom home compliments the desires of most modern families with comfortable living and designer kitchen consisting of plenty of cupboard and bench space and stainless steel cookware. With 3 bedrooms, the main bedroom showcases a stunning ensuite with floating vanity and privacy toilet + there is also built in mirrored robes. The additional 2 built in bedrooms are situated away from the master suite with the study nook located in the front hallway. Keeping family lifestyle in mind by providing a home that is tiled throughout and easy maintenance lawns and gardens, perfect for when you wish to have the kids outside for some well deserved quiet time. Complete with double remote lock up garage and fully fenced good size yard, this home is certainly family friendly. Pets are welcome.
