Welcome to this neat and tidy home that would suit investors, downsizers or first home buyers alike. Conveniently located and move in ready, brick construction, solar panels, and all at an affordable price. The open plan living area incorporates the kitchen, dining, and lounge. Taking advantage of the solar power the cooking and all appliances are electric. The master bedroom offers built-in robes and ceiling fan, and the secondary bedroom also has a built-in robe. The bathroom is quite modern with shower vanity and toilet while the laundry leads out to the rear patio. While the block size is modest there is still a good usable stretch of lawn in the enclosed rear yard. For more information or to arrange for your inspection, please call.
