This grand 3-storey Federation terrace presents a rare opportunity to acquire in a highly sought-after harbourside location. There are views of the city and pleasing leafy outlook from every room. Built in 1912, the home has all the desirable features of the era...fireplaces, high ceilings, ceiling roses. The large eat-in kitchen opens onto a private courtyard drenched in morning sun. Stroll 300-metres to a 10-minute ferry ride from Neutral Bay wharf to the CBD; there's even a bus stop opposite. The home is close to Neutral Bay, Kirribilli and North Sydney shopping centres with their wide choice of restaurants and services. There is an excellent local primary school and a diversity of secondary schools. A number of local waterfront parks are a short walk away. Inspect by appointment
