\$650,000

A Rolling Hills court location is always a good thing, combined with a stylish three bedroom home with massive entertaining deck on a street frontage block. Walking into an open plan living/dining zone with adjacent kitchen, you are greeted with an abundance of natural light through large windows and great proportions, there's a real sense of space in this sunny room. Smart dual tone timber and charcoal cabinetry with stainless steel benchtops and dishwasher add a stylish touch and practicality. A glass door in the dining area and front door allow superb indoor-outdoor living with a huge all weather deck running along the front of the home and private side yard, meeting your entertaining desires. Three equally light filled bedrooms are well appointed with built in robes and are served by a good size bathroom/laundry. Extras include gas ducted heating, split system and good size single carport with plenty of off street parking. Central to Mooroolbark and Lilydale transport and retail hubs and Chirnside Park Shopping Centre, schools and parkland.
